REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or reasonably suggest a method for performing an automatic capture threshold test wherein the AV delay is adjustable and user-provided during the test. While the prior art of record teaches AV delays and/or adjustable AV delays, those used in threshold testing are fixed rather than adjustable during the test.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
